

BREAKFAST ON THE BRIDGE

PREMIER OF NSW NATHAN REES

On the morning of Sunday 25 October, Sydney's ability to put on world class events will once again be on show, when Breakfast on the Bridge transforms our most iconic landmark into the ultimate picnic venue.

This unprecedented event invites the people of Sydney to celebrate our beautiful city, by bringing together their love of an outdoor breakfast, icons, natural beauty, climate and unmatched lifestyle in a very special way.

Featuring the best in NSW produce and promoting a healthy outdoor lifestyle, Sydneysiders will be proud of their city when their Harbour Bridge is transformed into a luscious green park to make way for a once-in-a-lifetime community event.

Breakfast on the Bridge will be the first of many new, public and free events to appear on Sydney's calendar over the coming months, and what better way to acknowledge and celebrate the unparalleled beauty of our breathtaking city than to turn our gateway to Sydney into our newest harbour foreshore.

Without question, this is one of the most significant events on Sydney's calendar and is yet another testament in how we promote our fine city around the world, while involving the local community at the same time.

This truly is a unique opportunity for the people of Sydney to enjoy brekkie on the best bridge in the world.

NSW Premier Nathan Rees
